

"Mary's RoseBuds" Progress Report

Month 6 (weeks 21 through 24)

Right now, the skin of the fetus is reddish in color, wrinkled and veins are visible through translucent skin. The finger and toe prints are visible. In this stage, the eyelids begin to part and the eyes open. The fetus responds to sounds by moving or increasing the pulse.

By the end of the sixth month, the fetus is about 12 inches (305mm) long and weighs about 2 pounds. (907gm)

A Spiritual Adoption Prayer: Jesus, Mary and Joseph, We love you very much. We beg you to spare the lives of the unborn babies that we have spiritually adopted and who are in danger of abortion.

Please bless their parents. Give them peace, courage, and understanding of your Mercy and love. Amen
