

Devotion to the Precious Blood

The Great Month of July

Great Month of July

Messages & Meditations from 1997 By Fr. Evaristus Eshiwu, FSSP

Messages from Our Lord for every day of the Great Month of July Novenas with daily meditations by Fr. Evaristus Eshiwu, FSSP.

Novena in Honor of the Nine Choirs of Angels July 1-9

Day 1 - 1 July 1997, 9:00pm

"My children who are welcome to this great privileged hour, you are blessed. Listen my loving children, I choose this hour to reveal much to you about the coming Chastisement so that you may be ready and help to save souls. The hour is near, the time of the great tribulation is coming soon. Many will shed their blood. The wicked man will give his armies command to seize my children. They shall be killed, Oh, pray, pray much my loving children! Make your faith strong. Be ready to meet the hour. I will send my angels to earth to carry (to heaven) the bodies of my people who remain in their faith until death. They will eat with me in heaven. My children, many will not withstand this horrible hour. Pray for them. After this great persecution, the red cross will appear in heaven. This cross represents the Precious Blood and the blood of martyrs. At that time, anyone who remains in the faith and calls on my Precious Blood will be saved during the coming darkness. My Precious Blood will protect him. Pray the chaplet of my Precious Blood always, console and adore me. How I wish that all who participate in this first novena will receive these prayers. Your adoration pleases me much. I bless you all."

Day 1 Meditation:

Today, Our Lord is making clear the fact that the chastisement is imminent. It must come. The instrument of the chastisement will be the wicked enemy of our souls. Many of the faithful will be victims. The Lord says, the "*wicked man will give his men command to seize my children.*" The children here, refers especially to the devotees of the Precious Blood, some of whom will become witnesses both to the faith and the devotion. The Lord promised that He would send angels to carry to heaven, the bodies of these people who will remain faithful to the end.

However, some will survive. Hence He urges us to pray harder for the strength we need in that hour, especially, pray the Chaplet of the Precious Blood.

****Today we pray for the grace to persevere in God's Will in this life.***

Day 2 - 2 July 1997, 9:00pm

In this second day of the first novena, Barnabas was led by an angel in a vision to an underground world. There he saw a great number of soldiers all marked with the number 666 and worshipping the Beast. The angel then led him to a strong house which held a great set of computers.

The Angel said, *"Son of man, these people you see here, are from every country of the world. They were chosen by demons for the attack in the time of the coming persecution, the hour of the evil government. With the aid of this computer, all men will be marked. Pray now and get ready so as to endure to the end."*

The angel vanished. Then the Sacred Head of Jesus appeared in a cloud. He came closer and said; *"Children pray much now that there is time. Soon this underground government will come out and rule the earth. With their computer, many people will be marked. All who receive the mark will be destroyed. At that time, everything laid outside My Precious Blood will be lost. Anyone who calls on my Precious Blood will be filled with faith. Many will only find mercy in my Precious Blood. I say to you my loving children pray harder now. Teach others how to pray. Let all men consecrate themselves to my Precious Blood. I love you, I bless you all."*

Day 2 Meditation:

This particular message has a lot to do with, and is a further confirmation of the doctrine of the anti-christ in the book of Revelation. While the children of God are adoring the Most Holy Trinity on High, the men of the under world are busy down below worshipping the Great Beast "with seven heads and ten horns" (Rev.13:11). Many of us know about the number of the beast, 666 (Rev. 13:18), and there are already widespread rumors about plans to put computer chips in everyone. This message brings all this into stark reality. The visionary saw those who have the mark and the great computer used to fashion it. We are moving towards an evil government that is destined specifically for this. We must watch for this and be ready. The Lord tells us the way to victory is to be firm in the faith, pray ceaselessly and be consecrated to His Precious Blood.

****Today we pray for our governments and all civil leaders.***

Day 3 - 3 July 1997, 9:00pm

"My children pray, pray harder for my Holy Church. Pray and never give up. The time of the wicked man is at hand. The time when he will rule my Church. My children the wicked man is now in my Church. He is planning with his agents to capture the highest throne in my Church. My children, the hour is fast approaching. The great hour of my teaching of sorrow is coming soon. Many of my priests will follow the teaching of the anti-christ and become anti-priests. Many of my priests will be killed because they will not obey the evil man. Only a few good priests will remain. Then my people will suffer greatly. They will find it hard to hear the Holy Mass as worthily as the one heard now. Many tabernacles will be closed. People will run from one place to another to seek my Word and find nothing. Many people will find it hard to pray because the mercy of God will cease. My children, this is why I call upon you now to pray. Make sacrifices always and offer your life now for me. Let all men join together and call on my Precious Blood which calms the wrath of my Father.

My children, many people will regret because they did not welcome this devotion. Pray your Holy Rosary daily, my Mother's Immaculate Heart will protect you. Pray this chaplet of my Precious Blood always and make constant reparation for all the sins men commit against me and my Precious Blood. My Precious Blood will save. I love you all. I bless you all."

Barnabas then saw a large number of priests, in a vision, who were tied to pillars. The armies tortured them and then the vision passed.

Day 3 Meditation:

There are two ways to pass through the chastisement; one is for the world and the other is for the Church. While the previous message is about the chastisement for the world at large, today the Lord speaks about that of His Church. The Evil one is planning, from within the Church, to take over the Throne of St. Peter. This will be accomplished to test our faith. We must wait and watch for this trial. The Lord laments for the many priests who will follow the anti-christ and his teachings, and also over those priests who will lose their lives for refusing to obey the false teachings. As a result, the grace of God will cease because the true Mass will be nowhere to be found. In this situation, devotion to the Precious Blood will be the best way to communicate with the Lord. Thus He insists that we pray and make more sacrifices to strengthen our souls.

****Today we pray for all our Church Leaders; the Pope, Cardinals, Bishops, Priests and Deacons.***

Day 4 – 4 July 1997, 9:00pm

Today, Barnabas saw in a cloud a vision of Our Lord hanging on the cross with Blood flowing from the many wounds on His Sacred Body. In the cloud there were also many little children who were praying to the Agonizing Jesus Christ to save them. They said, “Oh merciful Father may you save us by your Precious Blood. May the time come soon when you will reward the world.” As Barnabas continued praying, the Precious Blood and water poured out from the Sacred Side of Our Lord Jesus Christ and covered the little children. They rejoiced and praised God. Immediately the vision ended and the Holy Face of Jesus appeared and said:

“My children the wrath of the Eternal Father is increasing. His anger increases because of the sins of the world. The world is full of sin; adultery and fornication rule the world. Men love the creature and neglect the Creator. They sin and blaspheme against the Living God. My death on the Cross is of no value to them. My son, you see how numerous the unborn children are who are aborted in the world. My children they are many, they are many; their cries disturb Heaven and increase the anger of my Father. My children, their blood wounds my Sacred Heart; their cries hurt the mystical wound in my Sacred Heart. Warn my people, Oh My loving children, stop sinning! My people, love me and stop sinning. Stop sinning! May you stop sinning!! Stop fornication. I say to you stop fornication in my youth. How I love you. How do you know that I love you? Console me by means of holy lives. My children, the hour is very short to save souls. Inform my people to reconcile with their God. Tell them to come back to me and to seek the Kingdom of their God. The hour of the coming Chastisement is coming soon. Many souls will be lost forever. Many faithful souls will grow weak at that time. Men will find it hard to change their lives. There will be confusion in many souls. My children, I have told you this before and now I am reminding you that the coming destruction will start in every family that has shed the blood of innocent souls. Let all men call upon my Precious Blood and be saved. Baptize the unborn babies with power of my Precious Blood. My children, the Immaculate Heart of my Mother will protect you and my Precious Blood will save you. I bless you all. I bless you all.”

The vision ended and Barnabas saw the little children praising God in the cloud for awhile, then all vanished.

Day 4 Meditation:

The sins of the flesh are the greatest weapons employed by the evil one to arouse the anger of the Eternal Father. Not only do they turn men and women away from God and unto each other, these sins also turn their love for God unto themselves. It also results in the slaughter of so many unborn babies.

Their voiceless cries for retribution arouse the justice of God. The power of the Precious Blood devotion is made manifest. Through the Precious Blood, these unborn souls are baptized and can enter the Beatific Vision. We must therefore pray fervently for them, especially the prayer for the Baptism of Aborted Babies, so that their cries will cease and God's wrath will be calmed. We must pray very much for sincere repentance for all those involved in the lifestyle of fornication, adultery and abortion.

****Today we pray for the conversion of sinners.***

Day 5 - 5 July 1997, 9:00pm Today during his prayer, Barnabas saw a vision of many people inside a lake of fire. As the fire burned them, they cried out in deep sorrow. After a brief moment, a cloud came down and covered the whole place. The Agonizing Jesus Christ hanging on the Cross appeared in the cloud. His Precious Blood poured out from His holy wounds; especially the five most prominent ones. Upon seeing Our Lord on the Cross, the people in the lake of fire all stood up and cried in a loud voice, saying, "Lord, have mercy on us! Be merciful to us! May your Precious Blood save us!" While they were praying, I saw an Angel of God come down from Heaven. He drew them out from the pit and they flew with the Angel into the cloud. In the cloud, they sat with all the Host of Angels, and ate and drank the Body and Blood of the Spotless Lamb.

Then the Holy Face of Jesus appeared and said: *"My loving children, follow the desert way to the new Jerusalem. Accept all sufferings as the cross. Love your cross. Accept it with joy. Carry your own cross and follow me. Wake up when you fall. Be strong and endure until the end. My children people are lost forever because of the sins of the flesh. Many souls suffer terrible purification because of the passions of the flesh. My people love the perishable wealth of the world. They worship money and lose their souls forever. My children, many souls are heading towards perdition; they are heading towards perdition because of the temporary wealth of this world. I beg you all with love, O my loving children, to follow the desert way. Teach others how to accept their crosses. I say live monastic lives. Pray for the souls in Purgatory who are under the heat of purification. Pray for them through the power of my Precious Blood. I promise to save them. My children run for your lives that you will not suffer purification after death. My children, pray that you will understand the coming revelations. I love you all. I bless you all."*

Day 5 Meditation:

The reality of the place of cleansing is depicted in today's message. The mercy of our Lord can be powerfully obtained through His Precious Blood. We have the opportunity to make satisfaction for our sins of attachment to material

things and the flesh while here on earth. We must turn our sufferings into sacrifices and do more penance for our sins to avoid the cleansing fires of purgatory.

***Today we pray for the Holy Souls in Purgatory.**

Day 6 - 6 July 1997, 9:00pm *My children, hear this word of mine and keep it in your hearts. I am the Agonizing Jesus Christ, I love you all. My children, the coming tribulation is terrible and fearful. Pray much, I say pray much, pray harder. Pray that the hour will not begin during the rainy season because there will not be any natural heat if it comes during the rainy season. My children pray always now. Offer all your prayers for the salvation of men. How terribly she will suffer, the woman in labor! This coming hour is so terrible and fearful, who will survive it?*

My loving children, pray that this hour will be short, prepare yourselves with holy love. Show mercy to people and preach my words to them. Live a completely holy life and inform others to change their lives. Clothe yourselves with humility, for your humility will help you in this great battle.

My children, many will be lost forever, many will be lost forever, where are the few? I am still looking for them. If men will hear, let them hear these words and pray. Pray and make constant Adoration. Attend Holy Mass, my loving children. Attend Holy Mass now! The time is coming when men will look for the Holy Mass as worthy as the one you hear now and find none. Never let a day pass without receiving Holy Communion. Drink my Precious Blood and be filled with power. Tomorrow I will teach you a prayer through my Angel; a prayer of love and mercy.

My children, you will hear many speak and your faith will grow weak. Happy are all who abide in my Most Precious Blood, the coming chastisement will not affect them. Pray that you will be able to complete this novena fully. Your enemy will fight you and try to stop you so you will not fulfill it. Remember my warnings and keep them. I am happy with your zeal and love. I bless you all."

Day 6 Meditation:

This message is in direct reference to our Lord's warnings in Matthew 24:19, "And woe to them that are with child and that give suck in those days." And in Matthew 24:20, "But pray that your flight be not in the winter or on the sabbath." Again in Matthew 24:21 "For there shall be then great tribulation, such as hath not been from the beginning of the world until now, neither shall be." This message should be seen as a reminder or re-confirmation that the prophesy of the Lord to the Apostles is yet to come. The Lord in His goodness gives us a remedy to prepare for the time – attend Holy Mass and receive

Holy Communion regularly now that we are free to do so. The opportunity will not be there during the tribulation. Devotion to the Precious Blood will be the way to safety.

****Today we pray for the grace of endurance in time of trials.***

Day 7 - 7 July 1997, 9:00pm Today Barnabas saw a vision of the Agonizing Jesus Christ hanging alive on the Cross on a mountain top. Our Lord wept bitterly as His Precious Blood poured out from all his wounds. An Angel appeared and knelt reverently in front of the Crucifix. He sang a song to honor the Most Precious Blood: "Adoration!, Adoration!!, Adoration!!! To Thee, O most powerful weapon. Adoration! Adoration!! Adoration!!! To Thy Most Precious Blood. "Merciful Agonizing Jesus Christ, pour your Precious Blood on our souls. Satisfy my thirst and defeat our enemies. Amen."

"Powerful Blood of salvation, fight the enemy. Powerful Blood of salvation, fight the enemy. Powerful Blood of salvation, fight the enemy." After this, the Angel said; "*Son of man say these prayers always. Pray them for protection. Our Lord will save through His Precious Blood. Adore the Precious Blood and let others join you. Pray and never give up. I love you.*"

The angel left and the Holy Face appeared and said; "*My children, listen and understand these words. Children, the spiritual battle is increasing. There is a great war in the spirit now. The enemy has captured many nations and is ruling them. Your country is among the nations.*

My children, there are many agents of the evil spirit that exist now in the world. They came out from the ocean a few years ago. Many of them built factories and produced many goods. Many opened Churches and many live among men in schools and in great cities. They deceive my people. Children, now the hour is at hand. They are not sleeping because they know their hour is very short. Pray harder now, the evil man has not started his work. The anti-christ is in the Church. He will rule my Church. Pray that you will not be deceived.

My children, know this now that when the wicked man bans the Holy Mass, know that that hour is the last fight. This hour is the greatest, most horrible period. This hour is followed by the three days of darkness. On the second night of the three days of darkness my Angels will defeat the enemy through the power of my Precious Blood. Let all men call on the Precious Blood and be saved. Make constant reparation for all the sins men commit against me. Be careful, children, war in spirit increases. Join in the battle and win. Love me and save your souls. I bless you all."

Barnabas saw in a vision the Red Dragon in a pit which opened in front of the Crucifix. Blood from His Sacred Head dripped on and tormented the Dragon.

Day 7 Meditation:

The vision Barnabas had before the message revisits the Agony of Christ's crucifixion on Calvary. The message that follows is a very critical one. The presence of the agents of evil in the world and of the anti-christ in the Church, is emphasized. While the former are using government, business and churches to ensnare the faithful, the latter is seeking his opportunity to rule the Church, which will happen. The anti-christ will forbid the celebration of the Holy Mass, thus bringing about the Three Days of Darkness. The Angels of the Lord will defeat the enemy on the 2nd day of the darkness. This is a call to prepare for intense spiritual warfare.

****Today we pray for endurance through the coming chastisement.***

Day 8 - 8 July, 1997, 9:00pm Our Lord appeared this evening holding in His right hand His Sacred Heart surrounded by the Crown of Thorns. Beside His Heart was a wound from which Blood and water constantly dripped and divine rays shone forth. A cloud came down and covered the whole place.

Immediately He said: "My children, the wound in my Sacred Heart pains me much because of the sins of the world, for the souls that will be lost forever and for my children who will suffer the Great Chastisement. Many of my children do not heed my warnings and revelations. They continue sinning and blaspheming my Holy Name day and night. Only very few people hear my messages and prepare for it. My children, pray for the unrepentant sinners, offer your daily sacrifices for them through the power of my Precious Blood. I promise to allow a drop of my Precious Blood to fall on any heart that needs conversion through my Precious Blood. The hardened heart will break and be converted. My children pray for them. Have faith in me, let your faith grow. Build your faith in me. Great temptation is coming. Children the temptation is great. Who will survive it? Many will shed their blood.

My children make your faith strong. The time is coming when numerous children will be killed. I have told you this before, now I am reminding you that the enemy has produced destructive tablets. Any person who takes this tablet will die on a specified date. They do this in order to reduce the population of the world so that the beast will rule them. Children they will give it free to all men. My Spirit will let you know when you hear about it or when you see it. I say to you, pray much my children. Be faithful. Imprint my Seal with my Precious Blood on the hearts of the faithful ones. They will grow in faith and be victorious over the Red Dragon. Love me and be faithful to me. Tomorrow, I

will bless you truly with the power of the Trinity and reveal to you the last revelation of this Novena. Come with faith, don't sleep. I bless you all."

Day 8 Meditation:

One of the most important lessons of this devotion is to make us realize that Our Lord is still suffering the pains of His Passion. One of the reasons is given in this message – because so many souls have refused to heed the Lord's warnings and will thus they will be lost. We must pray for the Unrepentant and hardened souls in the world through the power of the Precious Blood, that they may be saved. The Lord already told us that our governments are evil and have evil plans. We need only to be watchful and persist in our love for Him.

****Today we pray for fallen sheep and against fall in faith.***

Day 9 – 9 July 1997, 9:00pm On this, the last day of the ninth day Novena, Barnabas saw in a vision the Crown of Thorns in the cloud. The crown moved around in the cloud until the Sacred Head crowned with Thorns appeared. Blood was pouring out from all the wounds in His Sacred Head. Our Lord raised his face and gently said; *"My children, today is the last day of the first Novena and the great month which Heaven dedicated to my Precious Blood. Today I will remind you of all the past revelations. Be careful, watch and pray. Children, I told you that many of my Cardinals have gotten married. I have told you that one of them married an evil queen. The queen with her demonic power has won the Cardinal. My children, the possessed Cardinal will fight to rule my Church. Children, during that time the Holy Mass will be banned. If the Holy Mass is not banned, the great darkness will not come, because the Holy Mass has all powers to stop the great Chastisement. But heaven has signed it, prepare for the coming tribulation. Children, the underground government is ready to rule with their authority. There will be one world government, one currency and the whole world will be computerized. There will be a computer number on every good, company, and school. The world will be numbered with the mark of the Beast 666 who is in the underground world now. My children, never receive the mark. Anyone who receives the mark will be lost forever. Listen, listen, be ready to offer your lives. Children I shed my Blood and the blood of martyrs shall be shed before I defeat the enemy. Children rejoice in your faith. My Angel will take your body and your soul up to heaven; all those who offer their lives for my sake. After this great persecution, there will be a red cross in the sky and the moon will be dark. The sign in the sky will represent my Precious Blood and the blood of martyrs. The Blood of innocent children will darken the moon. My children I told you that there will be a massive death of children who will be killed. Pray and never give up. Children this coming persecution is terrible and fearful. I promise to save you. Even in the great wrath of the Eternal Father My Precious Blood will save you. Children, rejoice for the brightest star has come out in the cloud.*

The star is the brightest among all stars. The Ark of the Covenant and pillar of cloud which will lead my people to the New Era. The star is the Immaculate Heart of My Mother. Look you will see it every evening in the cloud. She gives joy to her children who are consecrated to her. Prepare, consecrate your lives to her. My Mother will protect her children. Say your Rosary and live a holy life. My children, give this chaplet to my two visionaries. Teach this prayer to them. I say to them to pray it always. The enemy will first attack my visionaries in the whole world. They will suffer, fear not my children I promise to save them through the power of my Precious Blood. All who call upon my Blood will be saved. Let families pray the chaplet of my Precious Blood. I will save them in this horrible hour. My children, pray this chaplet for sinners. Pray it for unrepentant sinners. I will allow my Blood to fall on their hearts before the great day comes. They will obtain true contrition for their sins. Pray, pray for sinners, pray for the non-Catholic churches. Pray that they all will be one. My Father will answer your prayers through my Precious Blood. I will send a great sign in heaven and all men will see it and turn to My Flock. They will worship me and adore me and my Precious Blood. My children, I will not perform great miracles now because the Church has not approved it. But I will answer your petitions according to the Divine Will. Prepare for the three day Novena. Be ready to welcome your Mother."

The Holy Trinity appeared in the cloud. The Holy Spirit flashed Divine Light on Barnabas and all gathered with him. The Father and the Son blessed us and said, "I bless you all."

Day 9 Meditation:

The message of this ninth day is a summary of the last eight days. The Lord makes it clear that Heaven has signed the plans allowing the anti-christ to rule the Church, to ban the Mass, to allow the 3 days of darkness, and allow the evil one-world government and religion. These are the instruments of the chastisement. Repetition is a way of emphasis in divine messages. Here the Lord requests us to pray for sinners and non-Catholics that we may be united with them in the tribulation. The power of the Precious Blood for these times is re-emphasized, and cannot be emphasized enough.

****Today we pray for non-Christians and non-Catholics.***

+The First Novena ends here +

For the next three days, consecrated devotees can either return to the minimum Daily Devotion (Rosary, Chaplet of the Precious Blood, Litany of the Precious Blood and Consecration Prayer to the Precious Blood) OR they may continue to offer the Great Month of July Novena prayers daily as an additional offering to Our Lord or for a special intention. If

you are not consecrated to the Precious Blood, you may take the three days off, but do not forget to return and join us for the next Novena!

Our Lord said “Come with zeal to the next novena.”

An additional gift of encouragement

10 July 1997, 9:15pm During the normal devotional prayer gathering of Barnabas and his friends, he saw in a vision the Holy Face appearing in a cloud and saying:

“My children, Heaven rejoices. Heaven was happy with your adoration on the first novena. Your adoration pleased Me. Peace be with you all. Children, prepare well for further devotion. Do not be afraid to give these prayers to anyone who participates fully in these novenas. Teach them all the ejaculatory prayers and let their faith grow through your efforts.*

Children, I overlooked your past weaknesses. I will be happy if you finish this devotion with zeal. Remember my order, welcome my children who are willing to show me love. I say welcome only those who are willing to watch and pray. Please my children, don't choose Judases. Don't welcome wolves into the peaceful flock. I want your loving sacrifices. I bless you all.”

Immediately, the vision ended and Barnabas heard the songs of angels.

****The Ejaculatory Prayers:***

“Most Precious Blood of Jesus Christ – Save us and the whole world.” (8 February 1997)

“Precious Blood and water from the Sacred Heart of Jesus Christ - We adore you. Save us and cleanse us. Amen” (28 April 1997)

*“Powerful Blood of salvation, fight the enemy.
Powerful Blood of salvation, fight the enemy.
Powerful Blood of salvation, fight the enemy.” (7 July 1997)*

“Precious Blood and water from the Sacred Side of Jesus Christ – Refine the Church and wash us clean. Amen” (28 July 1997)

“Adoration! Adoration!! Adoration!!! To Thee, O Most Powerful weapon. Adoration! Adoration!! Adoration!!! To Thy Most Precious Blood. Merciful, Agonizing Jesus Christ – pour your Precious Blood on Souls. Satisfy my thirst and defeat our enemies. Amen.” (7 July 1997)

Three day Novena in Honor of the most Holy Trinity July 13-15

Day 1 - 13 July, 1997, 9:00pm Today Barnabas saw a vision of Our Lady coming down from the clouds. She was adorned with a white veil and held a Crucifix in her left hand and flowers in her right. Her Rosary was hanging from her side. As she descended, she was singing. When she arrived, she said; *“My children, today I came to co-operate with you and show you all the loving kindness of my Motherly grace. Be happy and rejoice with Heaven in this Adoration. I am the Mother of Jesus Christ. I come to you, so that you will love my Son and console Him in His Agony. The mystical wound in the Sacred Heart of my Son causes Him much pain because of the sins of the world. The sins of the world are many. Men do not want to heed the warnings of Heaven. Their sins increase daily. Pray always, pray for sinners, pray that many will change their lives. My children, I have told you this before, now I am repeating it to you and the world. Pray, “O Most Precious Blood of Jesus Christ, heal the wounds in the most Sacred Heart of Jesus.” I say many wounds shall be healed, because the sins of the world increase say, “Precious Blood of Jesus Christ, save us and the whole world.” I assure you many will be saved and sinners will come to repent. Children, I’m giving you my last warning about the coming chastisements. Know today that Heaven has signed this great purification. They say, Father, only purification will bring the new world. Children, don’t pray that the Chastisement will not come. I say don’t pray that the Holy Mass will not be banned for some time. If it is not, there will not come the great darkness. Know today that the underground computer is out in this physical world. Soon you will hear about it. This computer has power to computerize the whole world. The hour of the demon is fast approaching. The great day of darkness is coming. The great day of persecution is coming. The Scripture has said it. Read Daniel Chapter 8. Before the terrible day the Holy Sacrifice will be banned. Pray, pray and teach others how to pray. Pray that many souls will be saved. Show holy love to one another. Accept all daily suffering. Be strong in your faith to welcome the coming persecution. My children are you ready to offer your love to me? I say, are you ready to suffer martyrdom? Many will lose their faith and worship the evil man. I am the brightest star in the clouds. My Immaculate Heart will shine on my children. I will protect all who consecrate themselves to me, all who live holy lives. Tell the world that the Precious Blood will save anyone who calls upon it. Through the Precious Blood many souls will be saved. Honor and Adore the Precious Blood of my Son and Lord Jesus Christ. My children, have a Crucifix on your door post. Pray with your Crucifix always. Live with it. Through this sign you*

will conquer. I am near to help you. Remain in peace from heaven. I bless you all."

Day 1 Meditation: On this first day of the second novena, our Blessed Mother Mary comes to the scene. The presence of every mother in any situation of distress, signifies hope and comfort. Our Blessed Mother comes to explain the reasons for the chastisement; that it is the only way to purify the world from sin. She admonishes Barnabas and the prayer group not to pray against the chastisement and the banning of the Holy Mass. All these things have to do with the vision of the Prophet Daniel. She admonishes all her children to prepare for the great persecution with courage and perseverance to the devotion to the Precious Blood of Jesus, the only instrument of safety. A Mother's instruction is always to be heeded. We must take recourse to her Immaculate Heart, a secure place of refuge.

*Today we pray that we may all take refuge in the Immaculate Heart of Mother Mary.

Day 2 - 14 July 1997, 9:00pm Today, Barnabas saw in a vision the holy Archangel Michael with the hosts of Heaven marching and singing great war chants. They were all holding swords but the Archangel Michael was holding a Chalice filled with the Precious Blood. As they marched and sang, a cloud came down from Heaven and covered the whole place. Then appeared the Crucifix on which Our Lord was hanging. Blood was constantly flowing out of His wounds. The Archangel Michael, who was still holding the Chalice, appeared with two little Cherubim. They bowed down and worshipped the Agonizing Jesus Christ on the Cross. Then the Archangel Michael said: *"Son of man receive the Sacred Body and Blood of Jesus Christ."*

Barnabas received it. Then he saw a great multitude of people coming from distant lands to the mountain to receive the Sacred Body and Blood of Jesus Christ. After some time, Michael the Archangel appeared again holding a sword and said, *"Children of God, hear the voice of Heaven and run for your lives. I am Michael the Archangel, Chief and Commander of the Heavenly Hosts. I come to teach and admonish you. May the Precious Blood of Jesus Christ cover you all. Children of God, the spiritual battle is on. The enemy is not asleep. He has fought and won many souls. The enemy has sent all his armies into the battlefield because he knows that his time is short. Children of God, this is the great hour of dryness; the hour of evil, children of God. The demon rules this hour, who will survive it? The wicked spirit has caused war in the Holy Church, in families, in schools and in companies. Cardinals fight against Cardinals, Bishops against Bishops, war in spirit increases. They have caused spiritual lukewarmness in many souls. They have manipulated many hearts that they can no longer pray to their Living God. They have poured the*

spirit of lies and pride on the people of God. This spirit yields lust in many hearts. Children of God, the demon Satan and his agents cannot rest until they win all men. This lust gives birth to fornication and adultery. Look, there are many innocent unborn babies in the cloud. Their number increases every minute of the hour. The enemy has taken advantage of many souls. Many souls are possessed. They worship the wicked spirit and attack the children of God. Children of God, the war is on! Atmospheric spirits are fighting you. Hydrospheric spirits are fighting you. Biospheric spirits are fighting against you. Their physical agents are fighting against you. Who will win the battle? Many souls will die in sorrow. Many people's faith will grow weak. Listen, the enemy has captured the universe. They are on top of the government. They are sitting on the thrones of governments. They are entering, look, they are sitting, they are sitting on the thrones of governments. Who will survive this terrible hour of the demon? Children of God wait for the coming persecution with faith. But children of God, be happy that the Blood of Jesus Christ has conquered the demon. Through the Precious Blood of Jesus Christ, we will win the enemy again. Call upon the Precious Blood, all who are spiritually asleep, and the Blood of the Spotless Lamb will wake you up. Adore the Most Precious Blood, all who are manipulated by the enemy, you will be saved. Children of God, let all men console and adore the Most Precious Blood through this prayer, let all families consecrate themselves to the Most Precious Blood of Jesus Christ. Our Lord will save through this, our enemy will be conquered again and defeated forever. This adoration is great. Anyone who constantly consoles and adores Our Lord through this prayer will not be lost. His lineage will be converted. The heavenly Hosts fight for him. And he will join the heavenly army after death. Pray much now, time is coming soon when all souls will be in confusion and will find it hard to pray. At that time the Divine ears will be far. Children, hold firm your faith. Be wise, the enemy will tempt you and many will fall. The last Novena will be hard, only a few will complete it. The Father will not allow anyone to fail His order. Happiness and peace will follow anyone who fulfills and makes the devotion of this great month well. The Father will bless him.

Love and obey the Church. I fight for you all."

Day 2 Meditation:

St. Michael the Archangel is the leader of the Heavenly warriors and the Protector of the Universal Church. Hence he speaks about the crisis in the Church: Cardinals and Bishops at war against each other. Many fervent members of the faithful are worried about the ambiguities and falsehoods making their way to the pulpits in the Church. The Archangel notes that this is part of the plan of the evil one. He represents the Heavenly Hosts who are assuring us of their defense during the tribulations, if we remain faithfully devoted to the Precious Blood of Jesus. The battle ahead is the final battle we are assured the victory through perseverance in prayer.

***Today we pray for the assistance of the Holy Angels in our spiritual battles.**

Day 3 - 15 July 1997, 9:00pm In a vision, Our Lady appeared to Barnabas with a palm branch in her hand and she said: "May the peace from Heaven be with you all. Your adoration pleases Heaven. I am the Mother of the Agonizing Jesus Christ. Today is the last day of the three day novena. Heaven is happy, your prayers confused many kingdoms of the evil spirit. Your effort pleases the Holy Trinity. My Children you are about to enter the great pilgrimage hour. Pray that you will fulfill the last novena. Pray much for other people who will join you and fulfill this great hour of prayer. The enemy will fight you all. Many will come later and my Son will send them back. Some will sleep and wake not to join the adoration anymore. The faith of many will grow weak because they did not know and their eyes were not opened. Families will attack their children greatly. Many people will fight this devotion. My children, pray much, pray much that nothing will hinder you. Some will be sick and will not have the strength to join. Even death will hinder some. Happiness and Joy will follow him who devotedly makes the devotion well. The coming Chastisement will not overcome him. Remember my children that after this great month, no power will ever stop this devotion. The Church will approve it when I raise up my saving hand. Pray much, offer your daily sacrifices for the remaining novena. Prepare to make it great. Children the last day of this month will be great, so great, so great that all who fulfill the devotion will rejoice! His family will repent and love their Creator and their God. I will protect them and my Son will save them through the power of His Blood. My children, the Eternal Father needs the voice of many people in the consolation and adoration prayers. Let all who will attend the last Novena have those prayers said in groups and sing in one spirit. Have your Crucifix, show love to the Agonizing Jesus Christ. Meditate on his sufferings whenever you pray, you will gain numerous indulgences. Obey all the warnings from Heaven and be ready to welcome the coming Chastisement. My children, pray much for your town, pray, pray much, many are waiting for salvation. They look for my saving power. But when they see it they do not recognize it, they hear of it, yet they join the agents of evil to mock it. Pray that their eyes be opened, that they will see and their ears be opened, that they will hear. I say, pray and break the hardened heart. Many people will hear of this devotion and save their lives. Children, when shall your people know about it? Listen my children, the aim of Heaven here is to teach the world how to pray. Let all men adore the price of their salvation. The Blood which saved the world from sin. All generations will adore you, O Precious Blood of redemption. This devotion combines all the devotions of my Son and my Lord's passion. Heaven adores forever the Precious Blood of Jesus Christ through these prayers. Prepare for the coming novena soon, it will have a great teaching for the world.

(Silence)

*My children, learn to show love to one another. Teach people the Way of Truth. Take your families, your relatives and friends along with you and *run for your lives. Great trials will come. Many souls will be lost. Build your faith on the Rock, Jesus Christ, my Son. Make the faith of people strong through your teaching. Children, the wicked man is in Rome now. Pray for my Pope, pray that his faith will be strong. Soon you will hear the news. Don't fear, don't run about, only pray and make this adoration. You will see many agents of the demon and hear about their actions. They will attack my Priests and destroy many tabernacles. Fear not, be strong in your faith. Children the faith of many people will grow weak. They will worship the Beast. I say to you pray much now and become consecrated to the*

*Precious Blood of my Son, you will be saved. All things laid outside the Precious Blood of my Son will suffer greatly.
Love me. I am with you all. Remain in the peace from Heaven”*

Day 3 Meditation:

On this last day of the three day novena, the Blessed Mother is back. With her comforting words, She speaks again about the activities of the evil one and his agents who will fight against this Heavenly devotion, however, they will not succeed. Rather the devotion will be recognized by the Church in due time, at the prompt of the Queen of Heaven. She then explains that this very Devotion is an amalgamation of all the devotions to the Passion of Our Lord. This is why it is so powerful, hence the demons and their agents dread and attack it. Through perseverance in prayer and consecration to the Precious Blood of Jesus we shall be saved.

*Today, let us pray for the spread of the Precious Blood devotion all over the world.

+The Second Novena ends here +

For the next four days, consecrated devotees can either return to the minimum Daily Devotion (Rosary, Chaplet of the Precious Blood, Litany of the Precious Blood and Consecration Prayer to the Precious Blood) OR they may continue to offer the Great Month of July Novena prayers daily as an additional offering to Our Lord or for a special intention. If you are not consecrated to the Precious Blood, you may take the next four days off, but do not forget to return and join us for the last Novena!

17 July 1997, 9:15pm

An additional gift of Encouragement

During Barnabas and his prayer group's devotion prayer which was offered with a Mass and Adoration of the Blessed Sacrament, Barnabas saw a vision of Our Lord who said: "My children, try your best to fulfill my words to you. Any past hour will never return again. Keep all minutes holy. I call you to praise this devotion and spread it to the world. Make this call holy and let my people return to me in peace. Hear this word and obey the divine warnings. I love you all. I bless you."

Twelve day Novena for the new israel

July 20-31 Day 1 – 20 July 1997, 9pm On the first day of the third Novena, in a vision, Barnabas saw the Holy Face of Jesus in a cloud. He had a Crown of Thorns on His Head and His Precious Blood continuously flowed from His wounds. In the same cloud were little Cherubim praying, consoling and adoring the Agonizing Jesus Christ. As he was watching, Blood from Our Lord's Sacred Head spiritually dropped onto Barnabas' head. Our Lord said to Barnabas, ***"My Son, listen, try hard to record these words"***.

Barnabas then saw his prayer group and a great number of people who joined them in adoring the Agonizing Jesus Christ. They were surrounded by a multitude of angels during their adoration. As they called upon the Precious Blood, Blood dripped on them from the Sacred Head of Jesus. Then Our Lord spoke, *"My children, you are welcome to this great Novena. Let the peace from Heaven be with you. Today, Heaven is happy to see you adoring the most Precious Blood of your salvation. They join you in prayer. They will remain with you in this adoration. Let all men enjoy this great privilege. Listen, my children, this great Novena is not for gossips but for my humble devotioners who remain in faith, waiting for the return of their Master. My children this very call is not for the gossip. I say to you this call is for my patient devotioners who will make known this devotion to the world. I warn you, all my people, never speak about this devotion now. Never preach it to anyone because you can't explain it now. Even my first Apostle of this devotion can't speak much about it. Join the Novena. All who fulfill this great Novena will have power to preach and speak about it to the world. Children, know today that this call is for a holy life. The aim of this devotion is not for revelation but to teach the world how to pray. I give this little revelation to teach the world how to pray. I give this little revelation to you only to let your hearts turn to me. I made it so that you will believe and save your lives... My children, I call all men as I called the Israelites in the past. I chose this devotion as I chose Israel my son to be great. They were weak, but I made them strong, they were few but their number increased. They were those whom I saved from Egypt through the blood of animals. I led them many years in the desert till they reached the promised land after defeating many nations. In the same way, I chose this group out of many devotions in my Holy Church*

to be the new Israel who will be redeemed through my Precious Blood. I say to you my Precious Blood will save. Honor it! All who devotedly call upon my Precious Blood will be saved. They will adore me, eat and drink in the feast of joy with me after the great tribulation. They will not understand these words all who live the life of the flesh. Only a spiritual man will hear these words and understand them. Pray and allow my spirit to open your heart so you will understand. My children, the greatness of this devotion will come after this coming purification when all men who are saved will acknowledge the value of the price of their salvation and adore me. Before the great day comes I will teach many great prayers and songs to you. I will allow my Angel to reveal and teach Heavenly prayers to you. Through these prayers the new Jerusalem will worship me. My children, don't come as the people of Israel came. Do not refuse to hear Him speaking from Heaven. If you refuse, you will not escape. Read Heb. 12: 12-29. Read this now and understand the meaning. Read I Cor. 10: 1-19. Read and meditate, then run for your lives. This way is a desert way, all those who will follow will have faith. Keep this arena silent from 8pm. Heaven will be adoring Me during this hour. Keep this hour holy. My children, anyone who falls asleep, who comes late and does not come for prayer will not join this Novena if they come. My anger will chase them away. Warn them not to join this Novena any more. Let my faithful ones remain. I have a great thing to teach to you. Answer this call with joy. My Precious Blood will save you. I bless you all"

The vision ended and a hand appeared from the cloud and touched Barnabas on the forehead. He woke up and the words of the vision came back to his memory.

Day 1 Meditation: On this first day of the last Novena, the Lord is bringing new insight into this devotion. Consistent prayer expressed with full participation in the Novena, is required for a proper understanding of this devotion and is necessary before anyone can engage in propagating it. This devotion is a powerful way to prepare for the on-coming tribulation which the humble will be able to withstand through embracing it. The Lord reminds us that it was He Himself who led the Israelites out of Egypt into the promised land, but not without some necessary hardship. Those who persevere, will not only survive the Great Tribulation, but will rejoice at the great feast thereafter, just as those Israelites who survived the journey through the desert enjoyed the promise of a land flowing with milk and honey.

***Today, let us pray for the grace to understand the great value of this devotion.**

Day 2 - 21 July 1997, 9pm While praying today's novena prayers; the Consolation, Adoration and Anguished Appeals, Barnabas saw Our Lord tied to a pillar. The Jewish soldiers were beating Him mercilessly and they inflicted many brutal wounds on His Sacred Body. He wept bitterly. A cloud descended and covered the whole place. In the cloud appeared the Agonizing Jesus Christ with His hands tied and His body covered with numerous wounds. His Head was crowned with thorns and Blood flowed from those wounds constantly, dripping down His body which was covered with the wounds inflicted by the scourging. The Holy Face of Jesus appeared and said, "*Honor my Precious Blood, O my loving children and save your souls and the whole world. Make constant devotion to My Precious Blood. You will be protected from the snares of the devil. My children, the hour of great devotion will come. This hour will be a long period of holy living in the world. Over a thousand years the power of darkness will be chained and My Precious Blood will reign forever. The great sacrifice offered daily in the Holy Mass will praise and lift the throne of the Eternal Father. The Sacred Body and Blood offered daily will reign forever. Pray, pray much that you will see this great period. Practice the devotion of my Precious Blood and you will reach this happy era. Happy are those who reach the great hour of happiness. The second death has no power over them. My children, my Blood is a great weapon. Through My Precious Blood the Heavenly Armies won the great battle and chased the enemy away. Fight your enemy, the evil spirits, with My Precious Blood. You will win them. My Precious Blood is the circumcision of Gentiles. Through my Precious Blood the great salvation reached all men whether Jews or Gentiles. All were baptized in one body, and spirit, through my Precious Blood. My Blood is the price of salvation. Through my Precious Blood you were brought together as members of one family. My Precious Blood paid the debt of human slavery and made men adopted sons. You are no more slaves but sons. That is why I call you my children. I say to you, honor the price of your redemption. My Blood is the hope of innocent souls. Only my Precious Blood will grant mercy to the unborn innocent souls. Only my Precious Blood will save them: I say to you baptize them with My Precious Blood. My Precious Blood is the mercy of the Eternal Father through which my Precious Blood grants mercy to the world. And even in the great hour of darkness, the hour of my Father's wrath, my Precious Blood has power to grant mercy to humanity. Call on my Precious Blood always, it calms the anger of the Eternal Father. Children, I say to you, love me and console me always. Pray and teach others how to pray. Honor the Precious Blood which men neglect. Listen, my children, expose the Blessed Sacrament thirty minutes before you start the Novena let all of you offer petition songs to me for ten minutes. After, look at my Holy Crucifix and meditate on my passion. Have mercy on me. Then, offer your private intentions to me. Before the Novena, invite the Trinity with songs. My children, on day 26 of this month you will write your intentions. Write the names of unrepentant sinners in your family. I will answer you according to the Divine Will. I say to you, you will give testimony when your prayer is answered.*"

On the last day of this Novena the petitions will be burnt after the Holy Devotion. Children, many slept yesterday, but they are not here today. I say to you never welcome anyone who comes late, who falls asleep in My presence, and those who do not come to pray. If you can't hear, I will stop the Novena before the end of it. I say to you this habit displeases Heaven. My children, it is better to welcome those who heard the information late than those who miss the Novena after attending it. Come with your Holy Bible tomorrow I will teach you many things. Please my children study these messages. I am the Agonizing Jesus Christ, have mercy on me. I love you. I bless you all"

The vision ended and the pierced hand of Jesus appeared and His Precious Blood dropped three times on Barnabas. Then he woke up and wrote down this message.

Day 2 Meditation: In today's message we are meant to understand the great power of the Most Precious Blood of our Lord. A scene of His scourging at the pillar is first displayed to the visionary to show the bitter price Our Lord's Passion cost Him in redeeming humanity, making His Precious Blood so efficacious even in our day. This Precious Blood is the circumcision of the Gentiles bringing them into the family of His chosen people; the hope of the souls of innocent children; the limitless mercy of the Eternal Father. It is source and summit of all the means of salvation. This is why we must console and adore the Precious Blood of Jesus relentlessly.

*Today, let us pray for the grace to recognize the power of the Precious Blood of Jesus and to adore it worthily.

Day 3 - 22 July 1997, 9pm In the Novena prayer today with Mass and Adoration, Barnabas saw Heaven open. In a vision, he saw a Lamb sitting on the throne of God holding a flag which said: "Rejoice O Most Precious Blood of Redemption"

There appeared a great number of people who were worshipping the Lamb. They represented countries and languages of the whole world. An angel appeared to Barnabas and said. "Son of man, do you know these people? Where did they come from? Barnabas replied, "*You know more than I, Sir. Tell me.*"

The angel continued: "*These people are God's people who have overcome the great trial and chastisement. They have now won and have washed themselves with the Blood of the Lamb. They will reign with Him over a thousand years.*"

A cloud descended and covered the whole place. The Holy Face of Jesus appeared with His Head crowned with thorns. Blood was flowing constantly from His wounds. He drew nearer and said: *"My children, open your Holy Bible, and study my Holy Message, let your eyes open that you will understand the Scripture."*

The Precious Blood from His Sacred Head fell on us and He continued, *"In the olden days, men offered the sacrifice of bulls for the remission of sins. But in this present age my Body served as the atonement. Moses made a seal of covenant with the blood of animals that they would obey the law of the Eternal Father. Read Exodus 24: 1 – 8. This covenant was renewed every year because they could not pay the debt of their sins forever."*

This is why my Father prepared my Blood as an everlasting covenant. Read Heb. 9: 21-end and Chapter 10: 1-9. At My Last Supper on earth, I took bread and wine and offered them as a divine sacrifice to My Father. Immediately the bread became My Body and the wine became My Blood. This is the greatest sacrifice. Read Mathew 26: 27-28 and the Gospel of Mark 14: 23-24. The same sacrifice was proved by the Holy Spirit as the everlasting covenant through My Apostle Paul in the letter he wrote to the Corinthians, 1 Cor. 11: 25.

My children, the Spirit made it clear in the letter to the Hebrews 9: 19-22 that only the Blood can wash away sins. And My Precious Blood does this forever. My children, you can see that anyone who breaks the law given to Moses was stoned to death. They did this because the blood is a great seal. Whoever destroys the blood of my children will suffer greatly. How then can anyone who neglects the Precious Blood of his salvation be saved? The Spirit says in the letter to the Hebrews 10: 29, that he will suffer. But now I am telling you they will curse the day that they were born, those who show coldness and neglect to the Blood of their salvation.

The land to which you are being called is holy. This call is holy. There are mysteries which eyes cannot see. I say to you read Hebrews 12: 22-27. Understand these words. This is what it is. My children, I say to you, pray much for this town, pray that their eyes will be opened to see their great privilege. If they cannot change their hearts until this Chastisement is over, I will take away the glory of the holy land and give it to those who will welcome it. This land is holy. Rejoice, for you are called to the joyful feast of God's first born sons. My Precious Blood will save all those who call for help.

Read Hebrew 12: 24. Build your faith on the three testimonies of the Water, Spirit and Blood. You will be saved. Read the first letter of John 5: 6-12. Meditate on these words. Through the water you were baptized. The Spirit

renewed you and baptized you with fire and my Precious Blood saved you. Make your faith strong, share in my shame and suffering, you will rejoice with me in the end. Encourage yourselves with the words of the Spirit in 2 Hebrews 13: 10-16. I say to you, love suffering, love the persecutions you suffer for my sake. I say again surrender to all crosses. Even if you die for my sake, My Precious Blood will save you. You will reign with me forever.

Meditate on Revelation 7: 8-end and let your faith grow up. My children, study these words carefully and be ready to preach this devotion when the right time comes. Make yourself a home for my Spirit and I will teach you many things. Barnabas, receive any questions from your people and I will answer them. I love those who pray and meditate on the Passion. I bless them and my Spirit fills them. Continue the Adoration as you have done today. I am with you all. I am blessing you."

Immediately the vision ended and a book opened in the cloud. But Barnabas could not read anything in it.

Day 3 Meditation:

In today's message, the Lord Himself gives us a catechesis on the price of our Redemption. Blood is the price for the atonement for sins. In the old Testament, during the time of Moses, the blood of animals was used for this purpose, and through that blood, the old covenant was established in the book of Exodus. But since this was only temporary and was incapable of eternal Redemption, the Eternal Father prepared the Precious Blood of His Son for an everlasting Covenant that would pay once and for all the price of our Redemption. This is the summary content of the passages cited in the letter to the Hebrews. At the Last Supper, the Lord instituted this Eternal Covenant of His Blood in the Sacrament of the Holy Eucharist for us to celebrate in perpetual memory of Him; yet how many have already forgotten.

*Today, let us pray for the grace to appreciate the incomparable value of the Holy Mass.

Day 4 - 23 July 1997, 9pm During the Novena prayer today with Mass and Adoration, Barnabas saw Our Lord in a cloud in a vision. The Lord approached Barnabas while holding a sword that was shining brilliantly with Divine Light. Then He said: *"Today, I come to you with love and beg you my loving children to pray and watch always. Be careful always. Never let the enemy win over you. Never, I say to you, never let any of you fall into sins of the flesh. I say to you be careful not to chase the Holy Spirit away. Your enemy is fighting you. They plan for your downfall. Pray always, meditate on my agony and you will be filled with power. Call on My Precious Blood. Your enemy will be defeated. Console and adore my Precious Blood. I will protect*

you. Make constant reparation for the sins committed against My Precious Blood. Sinners will change their ways and turn to me. My children, pray this Chaplet of My Precious Blood. I promise to destroy many kingdoms of your enemy – the evil spirits. Many of you looked at my Crucifix and hardened your hearts, let my agony touch your souls. My children, love me and console me. I will not answer any questions from you because you make noise, you disturb Heaven in your Adoration. Keep yourselves holy and speak less. Live a life of silence tomorrow night and win over your enemy. Please my children, if anyone among you loves me, let him console me and show me love in this Adoration and always. My Precious Blood will show mercy. I am with you all. I bless you all.” The vision ended and there appeared two great swords in the clouds crossed over each other. Where the swords crossed, there appeared a Chalice with a Host above it.

Day 4 Meditation:

Today in a rather short encounter, the Lord showed Barnabas a sword glowing with divine light. A sword is definitely a sign of battle. In the message that follows the vision, we are cautioned against the plans of the enemy against us. Indolence is dangerous. Vigilance in prayer and recourse to the Precious Blood is advised. Be watchful and avoid all sins of the flesh.

*Today, let us pray to overcome the spirits of sloth and lust.

Day 5 - 24 July 1997, 9pm During today's Novena prayer with Mass and Adoration, Barnabas saw in a vision, Our Lord hanging on the Cross on a mountain. The Holy Face of Jesus appeared with numerous Cherubim. He was silent and was in a great agony. Then he said: *“My loving children, keep your root strong in my Holy Church. Obey her teachings and live a holy life. Confess your sins to my Priest and prepare yourself always for the waking of my Spirit. Live in the fullness of love and offer your lives for my service. Hold firm to your faith. Help to rebuild the temple for my sake. I say to you, never fight the flesh, Never, I say, never attack the temple of the Spirit. If you do the Father will judge you. Pray and ask the Father for divine wisdom in my name, I say to you pray for wisdom. The spirit gives wisdom in my name, I say to you pray for wisdom. The spirit gives wisdom to the humble and teaches them divine ways. I shed my blood so that your eyes will be opened through the holy strength of my promise. My Precious Blood is the power of the Holy Spirit. Children whenever you call upon my Precious Blood with all your heart and with love, the Holy Ghost will come and abide in you. Call upon my Precious Blood and be filled with power. My children, the gate will be opened. The way of life will be made known, but only few will follow it at last. When the door is about to close, the flock will rush to enter. But time will be over. Who will save them? And what shall be their hope? Many people come here but their hearts are far from me. When shall they know this truth? When will their hearts be*

opened to this great favor? Many will regret it at last. Join and make this devotion holy. Pray, pray, console me. I love you. Show me love so that you will have nothing to regret. Barnabas, receive the questions from your people. I will allow you to ask them and I will answer you. He who judges shall be judged. Know the Good Shepherd, listen to his alarm and run for your lives. My children, I say pray that my flock will hear the voice of the Good Shepherd and run for their lives.

Those who love me and adore my Precious Blood will not be lost. My Precious Blood will save them, Barnabas many will not understand this message. Pray for them.

I love you all. I bless you all.” The vision ended and a great Cross appeared in the cloud.

Day 5 Meditation: Divine guidance is very necessary to be able to know and accomplish the Holy Will of God. We can never presume to overcome any temptation, solely trusting in our own strength. Our enemy is far more crafty than we are. Hence we cannot confront him. Rather we must pray for the wisdom to know the truth and with the Spirit, outwit him. We must remain humble to receive this wisdom. Adoring and consoling the Precious Blood is always a true means to acquire this.

****Today, let us pray for the wisdom to know the Will of God.***

Day 6 - 25 July 1997, 9pm During today's Novena prayer with Mass and Adoration, Barnabas saw, in a cloud, a vision of the Agonizing Jesus Christ tied with a rope around His wrists. There were many wounds on his Body from which His Precious Blood constantly flowed. Then there appeared the Holy Face of Jesus. He quietly said; *“My Children, peace be with you.”* Immediately Blood from His Sacred Head fell on all those present. Our Lord continued by saying; *“Offer your questions to me.”* Then He was silent.

Barnabas replied, *“May your name be adored forever. O my Lord. Adoration to the Agonizing Jesus Christ, Lord THY KINGDOM COME.”* Then he added, *“Please Lord answer the petitions of your sinful creatures. They asked, “Among all your sufferings which one is the chief suffering that pained you most?” Please say something about the thorns in your Sacred Head and that of your Sacred Heart. Another one is, “why is it that most of the things that you did are in triplet? For example, your resurrection, the temptations, on the third day you were found in the temple, and many others. Please Lord speak on these matters. And which one is the Immaculate Heart between the two stars, is it the Eastern or Western one? Oh Lord, answer us.”*

The Lord replied, *"My children, learn to console me always in my agony. I suffered many tortures for your salvation. These tortures are hidden, and were not written down in the Holy Bible. I reveal it to my children who love me and will console me. The Jewish soldiers tied me to the pillar and beat me mercilessly. After beating me, they tied my hands and the feet, and rolled me from one end to another. They beat me and broke My Head with iron rods. They marched on me one after another, when they were tired they gathered together and pricked me with pins and needles, then they poured liquid lead in the wounds and left me there. I say to you my loving children if anyone among you loves me, let him console me. If anyone loves me, let him adore My Precious Blood. I will show him love he who loves me, and show mercy to him who knows my Wounds and my Precious Blood. My children, all my suffering and agony are reflected in my Sacred Heart. My Heart bears all the pains. The mystical Crown of Thorns in my Heart represents the crown on my Sacred Head, the Crown of Thorns is real, Console me. Live in the Trinitarian love. Believe in the Trinitarian power. Adore the Trinitarian God. One God, forever. The Immaculate Heart appeared in the clouds. She is the brightest among all stars. Know the Ark of Covenant and rejoice. Say your Rosary always. You will enter the Ark. My children know this only. (Silence)*

Barnabas then said, "Lord may your name be adored forever. Lord, please answer me this further question. When will the trouble begin in Rome? And what order will your children follow? In some apparitions they say that Nigeria will sink (be destroyed). What about the innocent ones? Will they all perish? About the coming Chastisement, there are those who can not afford to buy the candles or even say the recommended prayers. What will they do? And what about those who do not believe in your messages? What shall we do to convince them? Lord you told us about other visionaries, Lord can you say something about them? Lord, how can we know the tablet? River blindness, is it among...

The cloud in which Our Lord appeared, shook, and He replied, *"Barnabas, be wise and ask reasonable questions. Ask what will help the world. I will answer all their questions. I will make everything clear to them. Do not fear. I love you. Continue my son."*

Barnabas continued, "Lord, many ask what will they do to fulfill your wish to follow this call until the end. What will we do to make this call holy? Lord answer us, you know that we are willing to show you love. Help us to love Thee. Please Lord give us the answer."

The Lord replied, *"My children when you hear, when you feel and when you see that my Pope is seized or that my Pope has fled from Rome and run for his life to another country, the hour has come. My children will suffer much. I*

say to you let all pray much that my true teaching will be in your hearts. Many nations will perish and disappear from the face of the world. But my children will be saved. Those who love me and call on me for safety will be saved. I say to you, those who adore my Precious Blood and console me in my Agony will not be affected. My Precious Blood will save and my Mother's Immaculate Heart will protect. My children, during the Chastisement many will die on accident because they did not obey my warnings. Many will suffer terrible agony because they neglected my warnings. I say to you, pray that the flock will hear the voice of the Shepherd and run for their lives. If the flock remains adamant to the alarm of the Shepherd the wild animal will come and destroy. I say to you the Shepherd will not regret. I say to you, pray, pray much, make an effort and obey all the instructions. Teach them the simple prayers. Teach them, "Precious Blood of Jesus Christ – save us and the whole world." My Father will protect and save them. Pray for my renowned visionaries and mystics in the town, when the hour comes. I will call them and set them to work. When you see or hear about the tablet, my Spirit will tell you which one the tablet is. Be humble and accept the Divine will, you will reach the end. Offer your families to My Precious Blood. I will save them. I promise to convert them before the Great Tribulation comes. There will be peace and love. I say to you adore and honor My Precious Blood. I will allow My Precious Blood to fall on the heart of every sinner offered to my Precious Blood. I say to you offer to me and pray for them always through my Precious Blood, I will destroy all evils in your families. I have heard your prayers. Rejoice for your request has been granted. My children, never fail to give testimony when you see this goodness from the One who loves thee. Adore My Precious Blood and let all men join you. Barnabas, the remaining days are great and holy. Your adoration will be great and holy. Come with reverence and awe and worship your God. All who feel sleepy and weak will not be in this Chapel. Let them remain outside and offer their adoration to me. They should not enter this Chapel until the day's devotion is over. If you do allow them, I will block my greatest favor to you. I will not speak about this again until the last day of this Novena. If anyone among you loves me, let him console me and pray for unrepentant sinners. I love you all. I bless you all."

The vision ended and the Immaculate Heart of Mary pierced with seven swords appeared in the cloud. Barnabas could hear the Cherubim in the cloud praying the Rosary.

Day 6 Meditation: Today, the Lord takes time to address some of our questions. We always have questions about the changing world, about the coming chastisement, about our concern for salvation. We are worried about what will happen to us and our loved ones when the anti-christ takes over the Church as we already have been told to expect. We are concerned about those who are aware of this devotion and those who do not care for it, those hardened in sin. So many devotees have relatives and loved ones who have

abandoned their faith. All these concerns the Lord addresses today. He gives us only one sign about the beginning of the great tribulation – the Holy Father will flee from Rome. The only definite answer to all our concerns is steadfastness in consoling Him and adoring His Precious Blood. He will convert even the most hardened sinners recommended to His Precious Blood through this devotion.

**Today, let us pray for our loved ones who have strayed from the faith.*

Day 7 - 26 July 1997, 9pm During the Novena prayer with Mass and Adoration, Barnabas saw Heaven open in a vision. Our Lord Jesus Christ appeared, stood on the throne of His majesty and raised His right hand holding a Cross. Then, I saw a great multitude of angels and the hosts of Heaven, who were worshipping him. They bowed down to him and said, "Glory, honor and praise be unto you, O glorious Lord. You are good, and it is right that You be honored. Let all creatures adore Thee. Adoration to Thee forever."

After that, a great cloud descended and covered the whole place. In the cloud appeared the Holy Face of Jesus with a Crown of Thorns on his Head. Blood was constantly flowing from the wounds made by the thorns on His Sacred Head. Then He said, *"My children, live in my peace. Be wise to make yourself an instrument of peace. You will enjoy a happy life. My son, why is it that only a few people among you show me love? Only a few know me. My children, love me, console me and adore me. I promise to protect anyone who devotedly consoles me and adores me with this prayer against evil attack. He will not die a sudden death. He will not be burnt by fire. Any soldier who says this prayer before he enters into a battlefield will not be defeated. No bullet will have any effect on him. Say this prayer over a woman in labor and the woman will have lesser pains. Any woman who devotedly says this prayer will be delivered safely without much pain. Put this prayer on the head of any child who is disturbed by evil spirits and my Cherubim will protect him. I promise to protect any family who devotedly says this prayer from lightning and thunder effects. Any house where this prayer is kept will be protected against storms. If this prayer is said to the dying before his death, I promise that his soul will not be lost. My children anyone who does not pass through My Precious Blood will be lost. Any sinner who consoles me and adores me through this prayer will obtain conversation. I promise to protect them with My Precious Blood and hide them in My Holy Wounds all who console me and adore me. Poison will have no effect on you. I will guard your five senses. Anyone who fights against you will lose. The Archangel Michael will defend you. I promise to baptize aborted children who are killed daily in the world and put a deep contrition in the hearts of their parents through the power of My Precious Blood. All who devotedly console me and adore me with this prayer until death will join the*

heavenly Armies and Choirs. I will give them the Morning Star. I say to you, pray and let others join your adoration. Show me love. I love you"

Then Barnabas asked, "Lord, our Priest, your servant, will move for retreat, what shall we do? Please, my Lord, say something on this. Lord, Thy kingdom come! (Silence)

Our Lord answered, *"The Blessed Sacrament will be exposed daily during this hour. My Angel will protect. No one will harm him. The Cherubim will be with him always. My Priest, make an effort, I am with you. My children, pray much for him. The purification rain will fall, in the hour and on the day Heaven wants. All who join this Novena will feel my agony and be purified. Happy are you all who join this great month from beginning to end, the Chastisement has no power over you. I am looking for one to console me. I bless you all"*

Immediately the vision passed and the great beast appeared in the cloud with fire coming out from his mouth. Barnabas shivered and came back.

Day 7 Meditation: Among all the prayers of this devotion, the Consolation and Adoration prayers to the Precious Blood have some special privileges. It is with this prayer that we console the Lord for His ongoing suffering and adore His Precious Blood continuously poured out for our sins. In today's message, the Lord enumerates those special privileges, to encourage us to persevere in praying them, especially in times of special needs.

*Today, let us pray for all those suffering in pain.

Day 8 - 27 July 1997, 9pm During the Novena prayer, Our Lord appeared to Barnabas in a vision holding a cross, and said, *"My children, peace be with you. I am the Agonizing Jesus Christ. I am the one who loves and died of love. Show love to me and console me always. Believe in the power of My Precious Blood and save your life and that of the whole world. My Precious Blood is an ocean of mercy and compassion. Through my Precious Blood the world will find peace. I say to you any sinner who says "Precious Blood of Jesus Christ – save me and the whole world" will obtain conversion. My children allow sinners to venerate the grace of my Precious Blood. I promise to draw them near to me through the power of My Precious Blood. Offer all your problems to my Precious Blood and set yourself at peace. Be at peace always. Never let the world disturb you. Do this and offer me daily Adoration. My children, happy are all who listen to this warning and obey it. They will rejoice at last. Happy are you who practice this devotion with love and faith. You will conquer the world. Great happiness is for all who practice this devotion and make it known to the whole world. I will be with them always to guard them. I will teach them my ways. And welcome them with love on the day of judgment. My Father will*

give them the glorious crown. They shall eat My Sacred Body and drink My Blood with my heavenly Hosts. My children pray, pray. I say pray for those who hate this call. Offer them to my Precious Blood, show them love. I say to you love them. Believe and they will soon join in this holy Adoration. I say, they will adore My Precious Blood. My Precious Blood is a healing Blood. Call on My Precious Blood for the sick and they shall be healed. I say to you invoke My Blood for them. There will be testimonies. On the last day of this Novena, bring a few sick people to me. I will heal them, my children. I say a few, not many. Let them join your Adoration. After the glorious and happy worship anoint them with the holy oil. Tell them to go and give testimonies. My Precious Blood will save them. My children, the hour for great and numerous miracles is coming, I say, pray that my Church will see the hidden favor in my Precious Blood. Pray that my Church will welcome it. At that time, I will perform many miracles through my Precious Blood. I will do this in your sight to make your faith grow and be strong. On the last day of this Novena, Adoration will start by 3pm on the holy land. Make the day great, console and adore My Precious Blood on the holy land. Offer Holy Mass for the whole world and burn the petitions. Then you will spend three hours on that land. Return here and offer a great Rosary procession to me. Meditate on your Crucifix and pray the Chaplet of my Precious Blood 3 times, holding your Cross, I say consecrate yourself to My Blood. Offer a Holy Mass and give a testimony of my wonderful deeds. Before the day comes, you will know what to do. The great trial will shake the foundations. Let My Blood hold firm the foundations. They will speak much against this call. My children, have faith in what you know and what you believe. This hour is their hour. Soon their powers will shrink. Many will meet hindrances on the way and miss this devotion. I say pray. I bless you all."

Immediately the vision ended and Barnabas saw stars falling from heaven.

Day 8 Meditation:

We are in an age where people desire signs and wonders, sightseeing and relaxation, television and videos. But the devotion to the Precious Blood is meant to teach us the way of reflection and penance, prayer and adoration. Consequently many people will and do hate it. The Lord enjoins us to pray for them. He promised that many miracles will flow from the devotion when the time comes, to reward those who remain faithful.

****Today, let us pray specially for those who hate or persecute this devotion.***

Day 9 - 28 July 1997, 9pm Today, during the novena prayers with Mass and Adoration, Barnabas saw Our Lord in great agony in the Garden of Gethsemane. As Our Lord prayed intently, a bloody sweat covered His Body. A cloud came down and covered the whole place and the Holy Face of Jesus appeared. He calmly said, *"My children, the love I have for my people is burning like a flame. But they hate me, thereby crucifying me day and night with sin.*

Come to me in Gethsemane and watch with me. Come and pray with me for the renewal of the face of the earth. Come, my loving children, the great suffering is coming. The suffering is so great-who will survive it? Who will endure until the end? That is why I ask you, my loving children, to come to me in Gethsemane. Come in, console and adore me. I say to you, console me, I am in agony. Children, my Heart is painning me greatly because of the sins of the world. My Heart is greatly sorrowing because of many souls that will be lost forever. Oh my children, I am looking for someone to console me by word. Only that, because your heart is far from me. No one shows me dear love, you do not remember that I am always in agony. In deep sorrow, I come to you for you to console me. You do not recognize me, because your heart is far from me.

I cry in great anguish and grief, you left me and went your way, because you cannot meditate on my agony. Have mercy on me. I love you.

Meditate on my suffering. I will reveal myself to you. Pray and watch always in the midnight of Thursday to Friday. I call that hour the Gethsemane hour. Console me and adore me with this prayer I taught you.

Your prayer will be great during this hour. Any family or individual who practices the Gethsemane hour will be protected from infernal powers. Constant sickness will flee from them. I will constantly wash them with My Precious Blood with love. I will send St. Theresa, who will assist them in their daily works and they will grow in love. My children, hear these words and keep them. Show love to the one who saved all men from sin. Console me and adore the price of your salvation. Say always, 'Precious Blood and water from the Sacred Side of Jesus Christ-refine the Church and wash us clean.' The water from my Sacred Side will clean the wound and my Blood will save it. I love you all. I bless you all."

Immediately the vision ended and Barnabas saw the Sacred Side of Jesus. Precious Blood and water dropped twelve times and then stopped.

Day 9 Meditation: Today, the visionary sees our Lord in Agony in the Garden of Gethsemane. He invites us to join Him in prayer. He recalls the hatred of

men towards Him and the neglect of those who love Him. Thus He establishes every Thursday night as the Gethsemane Hour. He invites all who love Him to keep Him company in prayer from the late hour of Thursday night to the early hours of Friday morning. The great promises for observing this Hour of prayer are meant to encourage us to keep it faithfully.

****Today, let us pray for the grace to persevere in the Gethsemane Hour.***

Day 10 - 30 July 1997, 9pm *Editors Note: Since no message was given on this day in 1997, we have moved the message of July 30 to July 29. A very long message was given the last day of the original novena (July 31) and we split it into two days so you will have a message for each day of this novena.

During today's novena prayers with Mass and Adoration, Barnabas had a vision of Our Lord hanging on the Cross in great agony. Blood constantly flowed from all His wounds, especially the four major wounds of His hands and feet. The Holy Face of Jesus, crowned with thorns appeared and said, *"My children, today being the eve of the last day of this Novena, in the great month dedicated to my Precious Blood, let all of you who come here keep his temple holy, live in a complete change of life, a life full of love, humility and faith. Run away from sinful lives and always be charitable to one another.*

My children, anyone who destroys his temple by sin will suffer the everlasting hell. I say to you be holy for this call is holy. This call will undergo many trials. The way is a desert way. Only those who want to do the will of their God will join first. You will be shaken and purified so that the steadfast ones and the purified ones will be saved. Many nations will fight against you and this holy call. I say to you, many among you will not reach the new Jerusalem because of their sinful lives. Many will complain and fight their leaders. Many will leave the living God and worship idols. And many shall be killed in battle because of their weak faith. My loving children, pray, pray, pray that your eye will be opened to see the great happiness that awaits you after this great battle. Pray, I will reveal to you hidden mysteries about this call so that your faith will be strong. They will not understand this call, all who live natural lives. I say to you the spiritual things are far from them. Never, I say to you, never abandon your faith. Strive to enter the promised land. Today, listen my children, I have written it in Heaven that no nation will conquer this devotion of my Precious Blood. I promise to defeat many nations because of you. The nations will hear about you and praise the living God. I say, the devotion to my Precious Blood will be known in the world, from one generation to another generation even if my first devotioners abandon their faith. The devotion to my Precious Blood will be known to the world. All who are under my Precious Blood will not fear death any longer. When the hour comes for its canonization, the Church will welcome it and make it known to all men through the power of the Holy Spirit

of love. I say to you only obey and fulfill my order. Never give up in prayer. Children, your prayers will make the hour come soon. None of your prayers will ever be fruitless. I will hear them and answer you when the good hour comes. My children, Satan has no power over the obedient, I love you all. Continue to show me love. I bless you all." The vision passed and Barnabas saw a Host appear in Heaven. Half of it was flesh while the other half was bread.

Day 10 Meditation: (In the absence of a message for the 29, we reflect on the message of day 30 today) Today's message speaks of a complete change of life. A true devotee must "keep his temple holy", that is to remain pure in heart and mind. Humility and love and obedience are the essential virtues to cultivate. The Lord Himself will see to the spread of this devotion throughout the world if we remain faithful to Him in prayer. When the time comes, the Church will recognize it. This will only come about through the prayers of sincere devotees.

****Today, let us pray for the grace to remain obedient to all Church authorities.***

Day 11 - 31 July 1997, 9pm Venue: Mountain Carmel in Olo. Today being the last day of the last novena of the Great Month of July, Barnabas and all the devotioners were on the mountain consoling and adoring the Agonizing Jesus Christ. In a vision, Barnabas saw a large number of evil spirits (Arch demons) coming from the West to attack them. They came with a great wind and great force. At the same time, he saw the Host of Heavenly angels and archangels coming from the East to attack them. When the evil spirits saw the heavenly armies, they stopped and the great wind stopped too. Archangel Michael and the host of angels flew to attack them. Immediately, a holy Crucifix appeared in the air, blood flowed from the Sacred Head which turned into fire as it fell on them and consumed them. Immediately, a cloud came down from Heaven and covered the whole place. In the cloud appeared the Holy Face of Jesus. Blood was constantly flowing from the wounds caused by the Crown of Thorns. Our Lord calmly said, "Let my Precious Blood cover you all" Immediately blood flowed out from his Sacred Head and covered us.

He continued by saying, "*My children, today you are crossing the Great Red Sea. Happy are those who are chosen to be apostles of my Precious Blood.*"

Your enemy will not see you again. You are no more slaves in a foreign land. I am leading you back to the promised land through the power of my Precious Blood. You and the chosen ones will adore my Precious Blood in that land. Your children's children will worship me and adore my Precious Blood forever. I say all nations will acknowledge the value of my Precious Blood and my Holy

death. Today, you have passed the second purification and transformation hour. Happy are those who accept all the sufferings. My great promise is waiting for them. Rejoice. Oh, 24 people who were chosen by Heaven because they fulfilled the order I gave, I am sealing with my Holy Wounds and my Precious Blood. The wicked man will not harm you. My Precious Blood will defend you always. I promise to reveal to you my five wounds and my hidden tortures. You and your families will adore the Precious Blood and I will save them. I heard all your prayers.” (continued)

Day 11 Meditation: (We reflect on the message of July 31 for these last two days of the Novena) In the first of the two visions that precede the message of this day, we are shown the protective power of the holy angels over us, especially when the evil spirits are on the attack. Protection from them is one of the foremost benefits of this devotion. The graces and privileges of this devotion come to us according to our degree of faithfulness.

***Today let us pray for the assistance of the holy angels.**

Day 12 - 31 July 1997, 9pm Venue: Mountain Carmel in Olo (Continued from July 30) Instantly, Heaven opened. The Holy Trinity appeared. I saw the twenty four people, kneeling behind the Crucifix. The divine light of the Holy Spirit flashed on them and the Son raised up his hand and said, “*I bless you all.*”

Then Heaven closed. The Holy Face continued by saying, “*All who attended the first Novena are blessed. Through my Precious Blood you will be saved. The Heavenly Dominions and Powers will fight for you all. Rejoice all of you who fulfill the second Novena. The Immaculate Heart of my Mother will protect you. Holy Archangel Michael will guard you always. I will hide you in my holy ground, all who fulfill this great last Novena. Your enemy will not see you. Before your death, I will give you my Precious Blood. My children, anyone who hears my messages and devotionally adores my Precious Blood will get these favors like those who do this great Novena well. My Priest, Your greatest agony has passed. You console me. Now I am going to console you. Through My Precious Blood I will lift you up. Your terrible days have gone. Receive the fullness of the Holy Spirit and spread this devotion in the whole world. I say fear not. Fear nor for this devotion, the terrible hour has gone. When the right time comes, my Church will welcome it. I say to you, my humble Priest, minister with my Precious Blood – It shall be done. Command any sickness to be well through the power of my Blood – I promise to heal them. Release the captives through my Precious Blood and tell the righteous to rejoice in my blood. Let Archangel Raphael and twenty heavenly Cherubims be with you and fight for you. If you love me, make this devotion known to the world. I bless you. My first devotioners, the chosen Apostles of my Precious Blood,*

Heaven is happy with you. Your effort pleases me much. Rejoice because I will keep all my promises to you. Those who hate you will love you. I will bring your people back to you. GO IN PEACE and JOIN YOUR VOCATIONS. The second sorrowful hour has gone. Spread this devotion and pray much. Barnabas, I will change the seat of your vocation and put it in a better form for this call. Nothing will block you and your brethren again. I am with you all. I bless you all. My children, your prayers are answered. One of the women who are here on this mountain will give birth to a baby boy. The boy will be an Apostle of my Precious Blood. A woman came from Owa. Tell her to rejoice for her sickness is cured. My Priest will bless her families and destroy the charm of idols. All the anointed sick people, go and give testimonies, for you all are healed. Many unrepentant sinners will turn back. Adore my Precious Blood when you see them returning to me. My children, do not rejoice for the miracles but rejoice that you are among the first people who witness this call. All who remain faithful until the end, will not lose. Remember me always, I am Agonizing Jesus Christ. Show me love and console me. I bless you all."

Immediately, the vision passed and Barnabas saw the great battle against the forces of darkness. Through the power of the Precious Blood, the Archangel Michael defeated the enemy. Then I saw Jesus coming out of the clouds holding a palm on his hand with the heavenly hosts, singing a song of victory. In the cloud, I heard a loud voice saying, *"Through the Blood of the Spotless Lamb, enemies were defeated. All men, adore the Precious Blood of your salvation."*

Day 12 Meditation: The second segment of the message continued with the vision of twenty- four people adoring the Most Holy Trinity and receiving the reward for their faithfulness to Our Lords request. This message also presents the generous graces given to all those who devotedly complete the various novenas.

If you complete the first novena, you will have the Heavenly Dominions fighting for you. If you complete the second novena, the Immaculate Heart of Mother Mary will protect you and the Archangel Michael will guard you. If you complete the third novena, you will be shielded from your enemies and will be given the Precious Blood to drink at the hour of death. There are promises of great graces for the priest, the spiritual director of the devotion. We should always rejoice in the graces of this devotion and be careful not to crave for miracles which the Lord promised will follow.

*Today, we shall pray especially for the Holy Father and His intentions and the protection of the Church and our families from all evil.

+The Third Novena ends here +
